Dear Julie,

I hope you are well. We are signed up for the L3 in Macon that is coming up for 14U Boys. We have played there a few different times and it is always a well-run tournament!

Question... my son is in the main draw already. He is signing up with a doubles partner who is high on the waiting list and from past experience should hopefully get in...I have completed the Pre-Tournament waiver already and paired them on the Match App. Do I need to do anything else or can you assist me?

My son's name is Charles "Cooper" Bondo. His USTA number is 2018394774. He will be partnering with Declan Finley. Declan's USTA number is 2018412464. Declan is between #1 and #3 on the alternate list.

Can you please assist?
